ГУБЫ

Мои очень натураль-
ные, или, наоборот, де-
дичевые. Чтобы цвет
покрыл на губах был
таким, какой вы его
видите в природе, на-
несите предельно тонко
позвоночный карандаш, это
уменьшит природную
яркость губ и поможет
оттенку остаться прав-
доподобным. Настоящие
кукольные цвета увидите
в палитрах Clarins, Dior
и Chanel.

на модели: топ, бижутерия,
свои волосы
