INTIMISSIMI
PAR
"L'OFFICIEL"

De New York à Milan, de Paris à Londres, la lingerie s'invite sur les podiums. Devenue un élément phare du dressing féminin, elle se dévoile et se montre. La marque Intimissimi l'a bien compris et propose à la fois des dessous intimes et d'autres qui s'affichent au point de donner le la d'une silhouette. Nous avons demandé à trois ambassadrices de L'Officiel, Lila Cardona, Camille Gorio et Lucilla Cheloni, Parisiennes influentes et ultra connectées, de partager leurs indispensables lingerie et leurs coups de cœur, mêlant pièces au luxe discret et modèles ostentatoires.
